Relationships are important to us. We'll do our best to deliver exceptional service with the goal to build a lasting relationship with you.

Refer-A- Friend and you both earn rewards! It would be an honor to serve your family and friends. If anyone opens a new account or new loan and tells us you referred them, we'll give you **\$10** and we'll give them **\$10**, too! (Please note: they must tell us about your referral at the time of account opening in order for either of you to be eligible for the reward. \$10 will be deposited into the accounts within one week of the new account opening. Limit 1 set of \$10 rewards per new customer relationship, regardless of number of accounts opened by that person.)
